

Spirent TTsuite-WAVE-DSRC 1.3.0

2018-12-05 Release Notes

We are happy to announce the immediate availability of **TTsuite-WAVE-DSRC version 1.3.0**.

This release provides a complete set of full featured tests based on the test specifications published by the Certification Operating Council for Wireless Access Vehicular Environments (WAVE) and requirements specified by OmniAir™:

- A full set of tests defined in the IEEE Std 1609.2™ based test specification (V1.3)
- A full set of tests defined in the IEEE Std 1609.3™ based test specification (V1.3.3)
- A full set of tests defined in the IEEE Std 1609.4™ based test specification (V1.3)
- A full set of tests defined in the SAE J2945™/1 based test specification (V0.5.5)

Using the test suite along with a Test Control Interface and a DSRC proxy application enables you to execute test cases fully automated.

What's New?

- Additional support of GPS simulation using Spirent's GNSS simulators supporting SimREMOTE
- Full coverage of the TCI CR branch
- Implementation of all recent change requests by OmniAir™ TWG for the test specifications
- New certificates issued to Spirent valid until March 2019
 - Please read the 'Security Configuration Guide' for detailed information on setting up the system correctly. Click on [Help](#) → [Help contents](#) → [Using TTsuite-WAVE-DSRC](#) → [Common configuration](#) → [Security information](#).

Download TTsuite-WAVE-DSRC

To download the latest version of TTsuite-WAVE-DSRC, you need to register yourself in the Spirent Customer Service Center at <https://support.spirent.com>. Afterwards, please follow these detailed instructions on [How to download TTworkbench, TTsuites & TTplugins](#).

Please be aware that TTsuite-WAVE-DSRC requires at least **TTworkbench version 25**.

Please direct all questions and inquiries to our support team at support@spirent.com with *TTworkbench* in your subject line beside your topic to ensure fast response times.

If you prefer to call our customer care department, please dial [+49 30 726 19 19 0](tel:+493072619190).

It is Spirent's intention to provide you with the highest level of customer service.
Thank you for your continued interest!
